Please join students of the Advertising Design and Graphic Arts Department, City Tech, CUNY, for an afternoon at the MoMA PS1 VW Dome 2 in Rockaway Beach. Students will be presenting the design work they created for the non-profit organization You Are Never Alone (YANA).

YANA is a worker-training center in the Rockaways area of Queens. Students taking City Tech's *Advanced Vector Art* course designed the organization's visual identity. The fifteen weeks of pro-bono, creative collaboration not only fulfilled the needs of YANA, but fostered learning and research in the classroom while benefitting the community.

2:00 PM to 5:00 PM, Saturday, June 8, 2013.
Shorefront Parkway and Beach 94th and 95th Streets
(Close to the ocean and the former boardwalk.)

VW Dome 2 is a temporary geodesic dome erected in March, as part of MoMA PS1's *EXPO 1: New York*, to serve as a center for art exhibits, performances, and community events in Rockaway Beach.
